Prague Airport Shortlisted for Routes World Awards

We are excited to share that Prague Airport has been shortlisted for the next Routes World Awards. This prize recognises organisations that have delivered exceptional route development marketing activities during one of the industry's most recognised events. The whole Prague Airport Aviation Business Development team appreciates that you, our valued partners, have acknowledged our efforts and voted for us. We cannot wait to meet with you in less than two months in Bahrain.

Bees Airlines Launches Direct Connection to Prague

The largest spa in Europe and the famous Palace of the Parliament; Bees Airlines launches flights to Bucharest, Romania, on 23 August. The route will be operated three times a week by an Airbus A320 for 180 passengers.

Pyramids Are Now within Reach by EgyptAir Direct Flights

[More information](#)

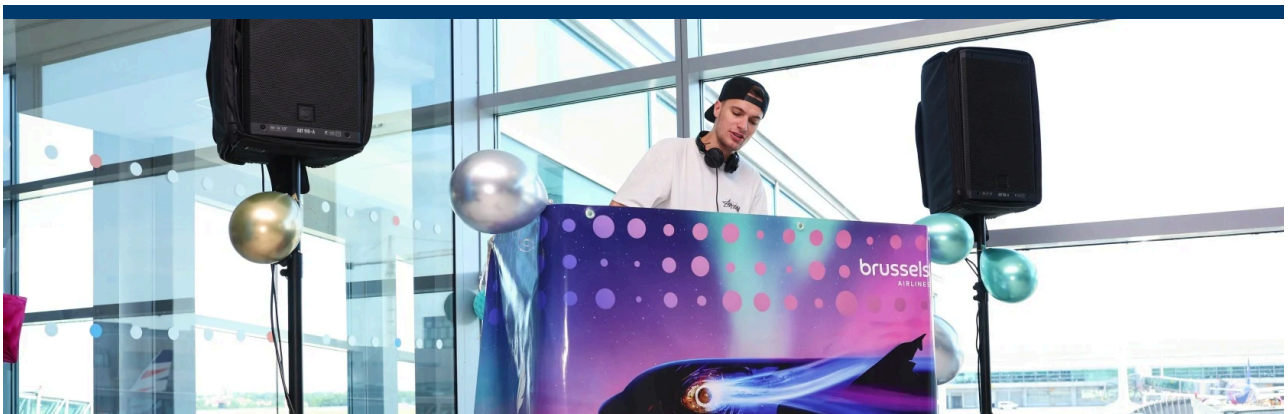

After thirteen years, Václav Havel Airport Prague has a resumed direct connection with Egyptian capital. On Monday, 9 July, the first EgyptAir flight to Cairo took place. The route is operated three times a week with Boeing 737-800 for 154 passengers and offers interesting options of transfers to connecting flights to various destinations in Africa.

Gobi Desert with Eznis Airways

[More information](#)

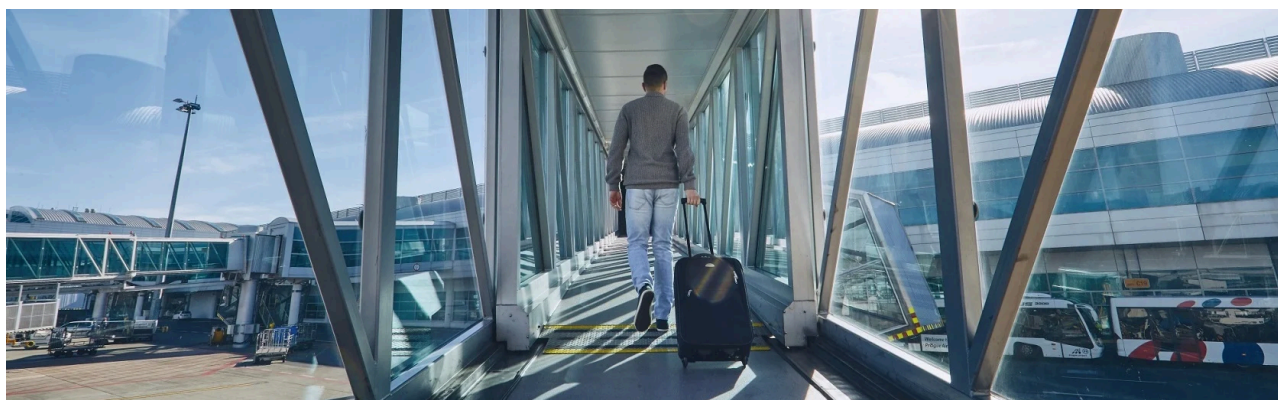

For the first time in its history, Prague Airport offers direct flights to Mongolia. The connection between Prague and the capital of Ulaanbaatar is provided by the Eznis Airways carrier from 10. July. Two flights a week, every Wednesday and Saturday, are operated by a wide-body Airbus A330 with a capacity for 256 passengers. This third direct European route to Mongolia also supports transfers to connecting flights, for example, to Vietnam.

Tomorrowland in Prague

After two years, another gate party took place at Václav Havel Airport Prague for passengers heading from Prague to the legendary Tomorrowland festival. Everything was coordinated with Brussels Airlines, including the show by DJ 5NAPBACK for passengers.

The First Half-year in Numbers: Seven Million Passengers Are Handled at Václav Havel Airport Prague

[More information](#)

In the first six months of this year, Václav Havel Airport Prague handled over seven million passengers, which represents a year-on-year increase of almost a quarter. The number of passengers in the first half of the year reached 92 percent of the 2019 record year. The most flights were operated to and from Great Britain, Italy, Spain, France, and Germany.
