PRAGUE AIRPORT BREAKS A RECORD: 17.8 MILLION HANDLED PASSENGERS IN 2019

Based on the latest operating results, Prague Airport handled a total of 17,804,900 passengers in 2019.

That means that approximately one million more passengers passed through the airport than in 2018, which sets another historic record

and a 6% year-on-year increase. Throughout the entire year, 71 airlines provided regular connections from Prague to a total of 165 destinations, of which 15 were long-haul. The airport also reported a significant increase in the number of passengers on long-haul routes, by 10.9% overall.

Thank you - to all passengers and B2B partners for choosing Prague for your travel and business plans!

NEWS FROM AIRLINES

BAMBOO AIRWAYS ANNOUNCES NEW SERVICE FROM PRAGUE TO HANOI

Bamboo Airways has introduced its plan to launch direct service between Prague and Hanoi. According to the carrier, the new long-haul route is supposed to connect Prague and Hanoi starting April 2020. Bamboo Airways is planning to fly two times a week and

operate the route using a Boeing 787-9 Dreamliner configured for 298 passengers. Opening direct regular connection to Southeast Asia has been part of Prague Airport's long-term route development strategy. Moreover, Hanoi is the destination with the largest potential from all markets where is no direct service operated from Prague yet.

SERVICES AND FACILITIES

PRAGUE AIRPORT INTRODUCES ITS INTERIOR MAP IN APPLE MAPS

Prague Airport, in cooperation with Apple, has launched a digital map that depicts the interior of the

airport terminals in detail. This allows Apple Maps users to track their current location on the airport map, and they can easily find check-in counters, security checkpoints, shops or restaurants. Prague Airport has thus become one of only 15 airports in Europe that offer this service within Apple Maps.
